JUNIOR ACADEMY

THE MISSION OF THE JUNIOR GOLF PROGRAM

- Grow the game of golf; introduce young golfers to the game in a fun and creative learning environment.
- Encourage family golf, enabling children to enjoy the game with parents on the golf course and in clinic formats.
- Provide golf programs that include all skill levels and give students an opportunity to progress to whatever level they choose to excel.
- Emphasize the relationship of playing the game of golf to personal development of integrity, honesty and sportsmanship, and honoring the rules of the game.

The Junior Golf Academy Program offers a developmental approach to the game, stair-stepping skill levels as players become more experienced. The goal of the Junior Golf Program is to not only develop the fundamental skills of the golf swing, but to also instill in each junior the characteristics that will make them champions in life.
